 AWARD RECIPIENT

**2020 marks the 30th Anniversary  
 of Colorado Preservation, Inc.'s  
 (CPI) Dana Crawford Awards.**

Join us for an evening of celebration as CPI recognizes the efforts of individuals, organizations, public agencies, and businesses from across the state, whose work demonstrates excellence in historic preservation.

CPI is pleased to announce that the 2020 Dana Crawford Award will be presented to Cynthia Neely, a woman who has been a leader in the Georgetown Silver Plume National Historic Landmark District and guiding force in Georgetown for over 50 years. The Dana Crawford Award recognizes not only Cynthia's life-long contributions to preservation, but the efforts of Historic Georgetown, Inc. and the passage of Georgetown's Historic Preservation Ordinance, which turns 50 this May. Cynthia was named a "Clear Creek County Point of Light" for her work on the Historic District Public Lands initiative that helped protect the setting of the National Historic Landmark District, an effort she remains devoted to today. Please join CPI in honoring Cynthia Neely and three State Honor Award projects at the Denver Botanic Gardens in the newly constructed Freyer-Newman Center.
